...making excellence a habit.™

Certificate No: **HDS 739755**

Registered Scope:

The development, operation, and administration of a web application in SaaS mode (Software-as-a-Service) and of hardware for the medical and administrative operations of occupational health services, including the creation and manipulation of medical records in occupational health.

This includes:

1. the provision and maintenance in operational condition of physical sites for hosting the hardware infrastructure of the information system used to process health information,
2. the provision and maintenance in operational condition of the hardware infrastructure of the information system used to process health information,
3. the provision and maintenance in operational condition of the virtual infrastructure of the information system used to process health information,
4. the provision and maintenance in operational condition of the platform for hosting information system applications,
5. the management and operation of the information system containing health information, and
6. the backup of the health information.

According to SoA v3.1 with no exclusions.

The organization is certified according to ISO 27001:2022.
